PROFILE

Creative Graphic Designer & CG Artist skilled in Photoshop, After Effects, motion graphics, and digital content creation. Experienced in designing YouTube thumbnails, stream overlays, intro/outro animations, posters, and social media visuals. Currently training in Game Development at MOGO Media Academy. Fast learner with a passion for producing eye-catching, modern visuals.

WORK EXPERIENCE

Freelance Graphic Designer & Content Creator 2020 - PRESENT

- Designed YouTube thumbnails, stream overlays, and intro/outro animations for gaming and streaming channels.
- Created posters, social media visuals, and promotional graphics for multiple clients.
- Produced short motion-graphic clips using After Effects.
- Worked closely with clients to match branding and style requirements.
- Building a personal portfolio website to showcase completed projects.

INTERNSHIPS

MOGO Studios - Lighting Intern FEB - MAY / 2025

- Assisted in binding grooming assets (hair) to 3D characters for an animated film project, ensuring the hair matched character movement and stayed properly attached throughout animation.

EDUCATION

Diploma in Game Development 2024 - PRESENT

MOGO Media Academy

- Gameplay design and development
- UI design for games
- Basic animation and cutscene creation
- Practical project work and creative media fundamentals
